Subject: "Heads Up" on Vector Control
Date: Monday, September 04, 2017 10:26:51 AM
Attachments: [image001.png](#)

All: We were just approached by the Deputy Ops Chief from FEMA regarding the issue of Vector Control (i.e., aerial mosquito spraying).... They are setting up a task force right now at the Governor's request.... They want EPA participation on the Task Force. The word right now is they would prefer to have DoD in charge of the aerial spraying and not contractors but, this might change.

I will keep you posted on this.
